

Message from Moral Fairground

It is with great pleasure to be collaborating with some many amazing organisations and outstanding young people to deliver the inaugural re-generation youth festival 2022.

The inaugural re-generation Youth Festival is a celebration and think-fest to empower young Victorians with the inspiration, motivation and tools to be the change they want to see in the world.

So bring some friends and come along for “A Friday Night at the Immigration Museum” on the 12th of August, this event is free for everyone to participate, so wether you choose to come along for the Clothes Swap or the live entertainment or some of the amazing activities happening along the marketplace, you will be guaranteed to find something that is of interest.

See you there
