SCHOOL PROGRAM: MORNING SESSION 9:30am-12pm or AFTERNOON SESSION 12:30pm-3pm

Opening & Acknowledgement to Country
keynote speakers Victor Perton and Gemma Wildermurth, with didgeridoo performance by Wakka Wakka Elder Uncle Paully Chapman.

Deconstruct Fashion with Vivian Qiu Garments contains stories about how we see ourselves and how we want to be seen. We're going to look at the topic of wellbeing and self-care through deconstructing garments.

Mindflight7 Immersive sustainability focused VR career experience sessions – let your mind take flight with a world of career possibilities, from walking in space to surveying the bottom of the ocean!

Infectious Optimism Your SuperPower for the 2020s and Beyond with Victor Perton from the Centre of Optimism - providing you with the tools and the background to become a beacon of optimism in the fog of pessimism.

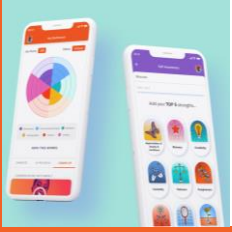

SwitchOn Radio Enrichment Program with the School Broadcasting Network. A 'taster' of the full SwitchOn enrichment program for schools on how to devise, produce and deliver a high calibre radio show or podcast on a chosen topic.

Social Enterprise Academy workshop introduction to social enterprise. Including interactive elements that will have participants fleshing out the differences between social enterprises, charities and traditional businesses.

re-generation international youth film fest featuring a curation of short films produced by 13 award-winning young filmmakers from around the world, which also includes the finalist films from the re-generation youth short film comp.

Real Time Learning Team Dangerous Minds showcase First Tech Challenge. Real Time Learning assists schools to build capability & capacity in teachers and students through STEM.

Maxme where success is all about unlocking human power! The exceptional learning experiences provided by Maxme equip young people with the critical human skills, insights and support needed to realise their career potential & thrive.

Careers in Fashion Workshop with Yesha Patel of After. A career in Fashion has changed drastically over the years, with a large focus now on circularity. For any student thinking of a career in Fashion, Yesha has important insights to share.

Mosaik Wellbeing Workshop uses arts & culture as a vehicle to improve wellbeing, embrace diversity and inclusion, using the power of the music, singing, dance, laughing together, poetry, and storytelling.

Empowered Women in Trades / AGA Trade skills shortages across Australia means employers are hiring more female apprentices than ever before across all industries. Find out just how rewarding a career in trades can be!

Caring for Country Uncle Paully Chapman Uncle Paully grew up without electricity or running water and Caring for Country is both as natural and essential to him as breathing. He has a lifetime of wisdom to share about what it means to care for and regenerate the Earth.

Becoming You Explore the Immigration Museum's exhibition to discover stories about identity and growing up. Students will be provided with an education resource to complete during their visit to the exhibition.

PROGRAM 1

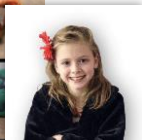

The vibrant, multi-awarded and totally mesmerizing animation **Star Thief** tells the tale of the Moon's journey to retrieve the stars after they are devoured by a thief.

Star Thief
Julia Madeleine Stella, Australia

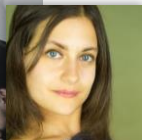

Multi-awarded **Driver's Ed** is a humorous anatomy of the many trials and tribulations involved in that all-important moment of finally gaining a driver's license.

Driver's Ed
Dana Koops, USA/France

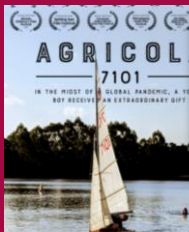

One Earth Young Filmmakers Contest awardee **Bad Bugs** is a brilliant Claymation by 10-year-old Bryn, the youngest filmmaker selected for the re-generation film festival.

Bad Bugs
Bryn Wright, USA

Award winning **Biff & Me** tells of two unlikely best friends, and demonstrates how we can all be who we are, even if we are unsure of who that really is.

Biff & Me
Nicola Rose, USA

The heartwarming documentary **Agricola 7101** is a multi-selected and award-winning short film all about freedom and 'restoration', both physical and spiritual.

Agricola 7101
Ivy Tucker, Australia

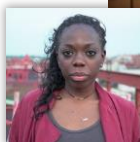

With over 900 official selections, including Oscar qualifying festivals & 340 awards worldwide, Radheya Jegatheva is one of Australia's most awarded young filmmakers.

Showreel
Radheya Jegatheva, Australia

PROGRAM 2

The empowering documentary **Generation X: The Coder** tells of young Jay Jay Patton, who built a mobile app so kids can send photos & letters to incarcerated parents.

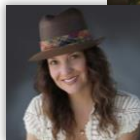

Generation X: The Coder
Samantha Knowles, USA

With all the painful awkwardness of adolescence, the light-hearted touching story **First Love** follows 13-year-old Jacob's attempts to impress the girl he adores.

First Love
Beatrice Woo / Ashley Rose Finch, Canada

Shipwreck explores a young girl's emergence from the depths of despair, as she navigates her way through grief, loss, and her sense of identity.

Shipwreck
Lisa Cole, USA

Cracked, a multi-awarded festival favourite, tells of a young girl's dedication to honouring her deal with nature when her family faces water shortages in their arid village.

Cracked
Mahmut Tas, Turkey

One Earth Young Filmmakers Contest Wild Ones Environmental Sponsorship awardee 2021 **A Home for Us All** is a wonderful origami stop-motion with an important message.

A Home for Us All
Lena Song, USA

Koala Protection is the One Earth Young Filmmakers Contest winner of the 2022 Jane Goodall Institute Australia Activism Award and the title speaks for itself!

Koala Protection
LiveLab Griffith Film School, Australia

The Amazing Adventures of Awesome is a stunning, multi-awarded, hand-drawn animated film based on the animator's experiences with her autistic child.

The Amazing Adventures of Awesome
Allison Brownmoore, UK

The finalist student short films will be screened at each of the sessions at the festival, with the winning films announced at the 8:10pm session after people's choice voting concludes.
